2016 School Performance Fact Sheet: *Bachelor of Arts in Music Industry (Music Business)*

In compliance with the California Postsecondary Education Act of 2009, Los Angeles College of Music (LACM) provides the following Statements of Fact.

The Bureau for Private Postsecondary Education (BPPE), as the regulatory body for private postsecondary institutions for the State of California, requires that each institution provide the following information to students, prior to enrollment, as evidence of recognition of the need to address consumer protection:

- Completion rates for each program of instruction;
- Placement rates for each program of instruction;
- License-examination rates for any program to which that statistic is applicable;
- Salary or wage information for each career, occupation, trade, job, or job title, as applicable, for which students are prepared.

Los Angeles College of Music (LACM) currently offers one Bachelor of Arts degree program in Music Industry (Music Business):

Bachelor of Arts in Music Business
Music Industry – Music Business

In addition, the educational programs offered by LACM are not designed to lead to a particular career, an occupation, a vocation, a job or job title. Therefore, LACM does not make any express or implied claim related to preparing students for a particular career, occupation, vocation, job, or job title. Similarly, LACM does not make any express or implied claim about the salary that may be earned after completing any of its educational programs. Therefore, no placement, licensure, or salary information is applicable to the institution. Information regarding general salary and placement statistics may be available from government sources or from the institution, but it is not equivalent to actual performance data.

*It should be noted that the educational program offered by the Los Angeles College of Music (LACM) – the Bachelor of Arts in Music Business – is **too new** to provide data for any of the categories listed below.*

DEFINITIONS

1“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2“Students available for graduation” is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

3“Graduates” is the number of students who completed the program within 100% of the program length.

4“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

5“150% Graduates” is the number of students who completed within 101-150% of the program length.

6“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

7“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

8“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

9“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

10Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

11Exam Date is the date for the first available exam after the students completed the program.

12Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

13Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

14Salary is as reported by the student. Not all graduates report salary. A list of the employers of the Graduates Employed in the Field can be obtained from Career Services.
