All students who have been affected by COVID19 and are in need of this emergency grant, are required to submit an electronic application and supporting documentation at [https://lacm.formstack.com/forms/heerf\\_iii\\_student\\_covid19\\_financial\\_hardship\\_grant](https://lacm.formstack.com/forms/heerf_iii_student_covid19_financial_hardship_grant). The grant is distributed to students who submit their request for assistance for tuition, housing, food, health care, childcare expenses, or other expenses that are normally included in the student's cost of attendance as a result of the pandemic. Students who have submitted a FAFSA will be awarded based on their EFC. Students

have the option on the Formstack application to consent ARP grant payment towards any of their balance owed to the institution on or after March 13, 2020. Any remaining balance applied after the grant payment, will be the student responsibility. If the student account balance results in a credit balance, the credit will be refunded to the student. Students who were awarded were notified via email. The institution will continue to distribute these emergency funds as students submit their request. Amounts will be awarded with the goal to assist as many students as possible based on needs presented in the application. Additionally, students have received \$500 - \$2000 in Emergency Financial Aid Grant and confirmed expenses as mentioned above resulting from the pandemic.

- VII. Instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants are as follows: Students are instructed to submit their electronic application and supporting documentation at [https://lacm.formstack.com/forms/heerf\\_iii\\_student\\_covid19\\_financial\\_hardship\\_grant](https://lacm.formstack.com/forms/heerf_iii_student_covid19_financial_hardship_grant). Students may receive emergency relief assistance for tuition, food, housing, health care, childcare expenses, or other expenses typically included in a student's cost of attendance (COA), as a result of the pandemic.

Financial aid students may be able to receive a financial aid income adjustment on their FAFSA if the student or parent received recent unemployment benefits. If you or your family's financial situation has change significantly from what is reflected on your federal income tax return (for example, if you or your parent lost a job or otherwise experienced a drop in income), you may be eligible to have your financial aid adjusted. Please contact the Financial Aid Office at [finaid@lacm.edu](mailto:finaid@lacm.edu) to discuss how your current financial situation has changed. Note that the school's decision is final and cannot be appealed to the U.S. Department of Education.

Completion of the HEERF III application does not guarantee the student eligibility to receive this grant. LACM will award students with the most exceptional need and make available subsequent application periods based on the available funds.
